THE PENNINE

Lymphoma Support Group

www.thepenninelymphoma-supportgroup.co.uk

Who Are We?

The group was set up in 2010 and we are a friendly informal group of around 15-20 people.

What Do We Do?

The aim of the group is to provide support to individuals who have been affected by lymphoma either themselves or by supporting somebody with the disease.

How Do We Do It?

At meetings we allow members of the group to sit and talk about their feelings or just listen to others - the choice is theirs.

We occasionally have visits from health professionals and guest speakers who provide information and advise on matters relating to lymphoma.

We hold fundraising events to support our groups activities and agreed causes.

When Do We Meet?

We meet every six weeks on Thursdays between 1:30pm to 3pm at Middleton Masonic Centre, M24 4DY.
